## Product highlights

### Philips Krypton bulb

*A miniature bulb in which Krypton gas is used to increase the light output up to 70% more than a standard bulb.*

### Adjustable beam

*By turning the flashlight's head the beam can be adjusted to focus on a smaller detail or a wider area.*

### Splashwaterproof

*Rubber sealing rings and housing prevent that water causes damage to the flashlight and allow you to use it in all weather conditions.*

### Shock resistant

*A special shock resistant plastic or rubber housing prevents damage to your flashlight caused by shocks.*

### Nylon strap

*This strap makes the flashlight easy to carry around and prevents it from falling if it accidentally slips out of your hand.*

### 2x ExtremeLife AA included

*The Philips batteries that are advised for the product are enclosed in the packaging to make immediate use possible.*
